

Women

These are the quickest and easiest outfits to do....

Long skirt, ruffle blouse w/a sash/ribbon tied around the waist. You could also wear a shawl of some kind.

I find that thrift stores carry many ruffle blouses, long skirts & lace shawls.

Thrift Stores are the best place to find items that are close to what is on these pages. Especially if rentals are out of clothes.....Shelly

Men
For the men, any suit w/a tail for dark colors works for them w/a bow tie
OR white shirt with a vest and long bow tie...
